Terrell Kyles knew he wanted to be a business owner since he was 12 years old. Over the years, he honed his natural abilities to motivate people, obtained a Business Management degree. After a series of challenges and unemployment, Terrell started 3T’s Lawn Services using only the equipment he had in his garage. LiftFund supported him with a working capital loan to make improvements to his office. Today, he cuts lawns and is an expert on the treatment of grass, trees, shrubs, and weeds.

“Through the journey of life I have been blessed with opportunities,” said Terrell.
